

Dear Sponsors,

The continued success of the 4th Annual Canadian Burn Symposium is due to a combination of excellent speakers, dedicated participants, and enthusiastic exhibitors.

With this in mind, we welcome you to join us at the Fairmont Winnipeg, September 24-25, 2017.

The Canadian Burn Symposium is the yearly hub where all Canadian Burn Directors and their multidisciplinary colleagues (Plastic Surgeons, Trauma Surgeons, Nurses, Researchers, Psychologist, Physiotherapists, Researchers, Nutritionists, First Responders) interact and meet challenges in the burn community.

This year's topics include: Burn Disaster Management; Ethics in Burn Care; Resuscitation and Emergency Burn Care Management (new ATLS/ABLS Guidelines); Research; Wound Care; Burn Nursing Competencies; Psychosocial: Post Traumatic Growth; Therapy; First Responders.

We hope you will join us for this unique two-day educational program and encourage you to reach out to us, as exhibitor space is limited and priority is given to those that commit early.

Best regards,
