

4th ANNUAL
CANADIAN BURN SYMPOSIUM
September 24-26, 2017 | Winnipeg, MB

**Partners in Burn Care:
Stronger Together**
A Three-Day Program

Join the discussion on:

- Things you don't know about how your bunker gear works
- Burn Treatment and Best Practices for firefighters/first responders on scene
- Fentanyl - Risks and Treatment
- Burn Funds and Foundations - Fundraising and Marketing
- PTSD - The discussion continues
- Canada's best Burn Surgeons break down burns and how firefighters are specifically at risk
- Fireground exposure- how your body performs during stress and heat
