To whom it may concern,

The inaugural **Indigenous Health Conference** in 2014 was the first of its kind in Canada. It provided a shared opportunity for Indigenous communities and Health Care professionals to discuss health issues, inequities, and possible solutions.

Building upon this success, the 2nd biennial **Indigenous Health Conference: Towards Health and Reconciliation** will continue the dialogue and focus on the determinants of health and reconciliation in Indigenous communities.

On behalf of the organizing committee, I would like to invite you to support this important event.

Please take a moment to review the sponsorship levels. I can be reached via phone or email to discuss how you can support this event.

Sincerely,

Anna Banerji, MD, MPH, FRCPC, DTM&H, O.Ont
Director, Global and Indigenous Health
