

Indigenous Health Conference

May 21-23, 2020

Sheraton Niagara Falls

Benefits of your support include:

- Access to **up to 700** researchers, physicians, and health care professionals from across Canada
- Creating **better educated and more culturally competent** health care providers
- **Demonstrating your commitment** to improving health care for all Canadians

Dear Colleague,

The Indigenous Health conference continues to provide a shared opportunity for Indigenous communities and Health Care professionals to discuss health issues, inequities, and possible solutions. The 4th biennial Indigenous Health Conference: Building Our Future will continue the dialogue and focus on health in Indigenous communities.

On behalf of the organizing committee, I would like to invite you to participate in this important conference

A limited number of \$500 tables are available for artisans to sell their crafts to display materials and to engage with **up to 700** researchers, physicians, health care professionals and community partners from across Canada interested in Indigenous culture. Access to the academic sessions for one person is also provided.

If your organization is interested in participating, please contact me via phone or email to discuss.

Sincerely,

Anna Banerji O.Ont, MD MPH FRCPC DTM&H
