

Dear Colleagues,

Following the success of the 1st National Menopause Conference last year in Ottawa, the SIGMA Canadian Menopause Society will be hosting the **2nd National Menopause Conference, September 11th to 13th 2015** at the **Downtown Hilton Hotel in Toronto**.

This is a comprehensive and prestigious event that will include keynote symposia and plenary sessions covering all of the salient topics in **Menopause, Osteoporosis and Aging**. The conference is expected to attract over 400 family physicians, specialists, menopause practitioners, nurses, pharmacists, dietitians and other health care professionals who are interested in menopausal and postmenopausal health.

Our state of the art program opens with a plenary symposium followed by a welcome reception in the exhibit area. This is followed by two more days of networking opportunities. In all, there will be many hours of dedicated time in the exhibit area for sponsors to connect with delegates. Finally, we have added new product theatres to inform our participants of the recent developments in the therapeutic management of menopause (pre and post). In addition there will be opportunities to showcase your organization through nutritional corners and yoga and fitness breaks.

To confirm your support or discuss other conference opportunities, please don't hesitate to contact us. We look forward to including you in this very exciting meeting.

Best regards,

Dr. Chui Kin Yuen
