

Manktelow Day Upper Extremity | October 16-17, 2015

Dear Colleague,

The continued success of the Hand and Upper Extremity Update has been due to a combination of excellent speakers, dedicated participants, and enthusiastic exhibitors.

With this in mind, we welcome you to join us for the Manktelow Day – Upper Extremity Update October 16-17, 2015.

We are excited to present the joining of these two meetings to our delegates and sponsors, as it provides a centralized forum for orthopedic surgeons, plastic surgeons, occupational/physical therapists and nurses to stay current and an opportunity to meet face to face.

This year's topics include:

Friday, October 16, 2015 | Toronto Western Hospital

- Manktelow Day
- Wrist Trauma

Saturday, October 17, 2015 | Renaissance Downtown

- Upper Extremity Update
- Distal Radius Fractures
- Dupuytren's disease
