

toronto Cataract Conference

Exhibitor/Sponsorship Levels

The Toronto Cataract Conference (TCC) 2024 will be held at The Hilton Toronto Downtown in Toronto, Ontario on Saturday, February 3, 2024. In its 21st year since inception in 2003, the TCC has drawn 250-300 attendees from across Canada. The TCC fits an important niche and brings together a large number of highly focused individuals.

Exhibits will be placed in the Toronto Ballroom and will be the site of all program breaks and lunch this year.

There are 2 sponsorship levels. All sponsors will be recognized in the onsite program, website, and on the day of presentations. Higher levels of sponsorship will be given preference for optimal display locations and higher visibility in program. Additional time during breaks will also be planned this year. We are happy to discuss additional sponsorships.
