

Dear Sponsors,

The continued success of the Canadian Burn Network meeting is due to a combination of excellent speakers, dedicated participants, and enthusiastic exhibitors.

With this in mind, we welcome you to join us at the Shaw Centre in Ottawa  
**September 22-24, 2019.**

The Canadian Burn Network is the yearly hub where all Canadian Burn Directors and their multidisciplinary colleagues (Plastic Surgeons, Trauma Surgeons, Nurses, Researchers, Psychologist, Physiotherapists, Researchers, Nutritionists, First Responders) interact and meet challenges in the burn community.

This year's topics include:

- Standardized and protocolized burn care in Canada
- Performance and quality improvement
- Translational research in burns
- Long-term outcomes and quality of life
- State of the art science: critical care, wound care and therapy

We hope you will join us for this unique two and a half day educational program and encourage you to reach out to us, as exhibitor space is limited and priority is given to those that commit early.

Best regards,
