Update in Dentistry 2023

Aging Gracefully: Enhancing Dental Care for Older Adults

Friday, October 20, 2023

Dear Colleague,

The Department of Dentistry at Mount Sinai Hospital is delighted to invite you to the annual 6th Update in Dentistry Symposium. We thank you for your loyalty and support for our past 5 highly successful symposia. This upcoming in-person event will give you the opportunity to showcase your support of our continuing education program and showcase your products and services. The symposium theme 'Aging Gracefully: Enhancing Dental Care for Older Adults' focuses on comprehensive and contemporary dental treatment approaches for the older patient and includes lectures and workshops given by experts in geriatric medicine, special care dentistry, prosthodontics and restorative dentistry, endodontics, oral surgery, oral pathology, oral radiology, dental anesthesia and dental public health.

General dentists, dental specialists, dental specialty residents and hospital dental residents are expected to attend. In order to make this conference a success, we ask for your continued or new support. Please take a moment to review the support levels and the benefits included on the next page.

Sincerely,

Iona Leong & Maria Colaiacovo
