

16<sup>TH</sup> BIENNIAL

# Canadian Orthopaedic Foot & Ankle Symposium

April 24–25, 2026 | Omni King Edward Hotel, Toronto

## ABOUT THE SYMPOSIUM

We are pleased to invite your organization to sponsor the **16<sup>th</sup> Biennial Canadian Orthopaedic Foot & Ankle Symposium**, proudly hosted by the **Temerty Faculty of Medicine, University of Toronto — Department of Surgery, Division of Orthopaedics**.

This symposium is the **foremost national conference in Canada** dedicated to orthopaedic foot and ankle surgery, and is recognized as a **landmark event** within the surgical and academic community. With a long-standing tradition of excellence, it has become an **institutional pillar in Canadian orthopaedics**, drawing participation from **leading surgeons, faculty, and researchers across the country and internationally**.

The University of Toronto's Department of Surgery is consistently ranked among the **top surgical training centres in the world**, and this symposium reflects that global reputation. Led by **world-renowned faculty and surgical innovators**, the 2026 program will once again deliver a **cutting-edge, fully accredited educational experience**, featuring **didactic lectures, evidence-based case discussions, and hands-on learning opportunities** designed to drive innovation and improve patient care.

This is the **premier sponsorship opportunity in Canadian foot and ankle surgery**—a chance to align your organization with academic excellence, clinical leadership, and the future of orthopaedic practice.

## Surgical Skills Lab Participation Opportunity:
