

ASSESSING STUDY CREDITS

Program planners should find the following information helpful when submitting their programs for approval and study credits. **A program must be a minimum of 3 study hours in length!**

The following activities *are* eligible for study credits:

- ✓ Open Forums with experts may be counted if professional/scientific content is discussed.
- ✓ Question and Answer periods.
- ✓ Panel Discussions.
- ✓ Breakfast, Luncheon, or Dinner with speaker may be counted less the scheduled time for meal.
- ✓ Moderated poster sessions that are combined with a break may be counted less the estimated time for the break.
- ✓ Sessions for which speaker is listed, topic to be announced.
- ✓ Sessions for which topic is listed, speaker to be announced.
- ✓ A limited number of sessions with speaker and topic to be announced.
- ✓ A scientific presentation or session that is more than 3 hours in length and has no scheduled break will be assumed to have a 15-minute break.

The following activities *are not* eligible for study credits:

- ✗ Introductions and Opening Remarks
- ✗ Concluding Remarks
- ✗ Business Meetings
- ✗ Breaks
- ✗ Award Granting Sessions
